

DECLARATION OF COMPLIANCE

Hereby, we SAS GROUPE SEB MOULINEX declare that the designated product complies with the requirements of :

- *the European regulation 1935/2004/EC and 2023/2006/EC*
- *and its specific measures (especially the regulation EC n°10/2011 and its amendments on plastics, in accordance with its article 22)*
- *French regulation in force concerning silicones in contact with food, that is to say order dated 25 November 1992*
- *French Arrêté of 13th January 1976 for food contact of stainless steel metal*

Concerning the item (8) of the annex IV of the European regulation (EU) n°10/2011 and its modifications, the product covered by this declaration can be used with the following condition:

- type or types of food with which it is intended to be put in contact : water-coffee
- time and temperature of treatment and storage in contact with the food : according to real use conditions
- ratio of food contact surface area to volume used to establish the compliance of the material or article :

Note : As our products are intended to be directly delivered to the end users without any modification or transformation by any business downstream operator, we are not directly concerned by the communication of the information specified in item (6) and (7) of the annex IV of the European regulation (EU) n°10/2011 (specific migration) and its modifications.
